## **SPECIAL DIVINE APPEARANCE PROCEDURE**

### **STEP 1: ENTRY INTO COURT**

Upon entering the courtroom:

"I appear here today by Special Divine Appearance only, as a living man/woman created in the image of the Divine, operating under natural law, constitutional law, and international law. I do not consent to any presumption of jurisdiction over my person, and I reserve all rights without prejudice."

### **STEP 2: CHALLENGE THE SUMMONS**

When called by name:

"Your Honor, I must respectfully correct the record. The document before this court appears to be a summons directed to a legal fiction - a corporate entity or dead name written in ALL CAPITAL LETTERS. I am [Your Full Name], a living man/woman of flesh and blood, not the legal fiction [LEGAL NAME] referenced in these proceedings."

"I deny that I am the entity named in this summons, as that entity appears to be a corporate fiction created without my knowledge or consent."

### **STEP 3: ESTABLISH LIVING STATUS**

"For the record, Your Honor, I wish to establish my status as a living being:

- **I breathe air** - demonstrating life
- **I have warm blood** - demonstrating biological existence
- **I possess free will** - demonstrating divine nature
- **I claim my inherent rights** - demonstrating sovereignty

**I am not a corporation, not a trust, not a legal fiction, and not property of any state or corporate entity."**

## **STEP 4: CHALLENGE JURISDICTION**

**"Your Honor, before we proceed, I must challenge the jurisdiction of this court over my person on the following grounds:**

### **1. CONSTITUTIONAL GROUNDS:**

- This court operates under the authority of a foreign corporation registered as 'REPUBLIC OF SOUTH AFRICA' (CIK: 0000932419) in Washington DC
- Section 39(1)(b) of our Constitution requires consideration of international law
- No living man or woman can be subject to corporate jurisdiction without consent

### **2. NATURAL LAW GROUNDS:**

- I am created with inherent, inalienable rights that predate any government
- Natural law supersedes positive law when in conflict
- Divine law governs my conscience and actions

### **3. INTERNATIONAL LAW GROUNDS:**

- The Nuremberg Principles establish individual sovereignty over collective authority
- Universal Declaration of Human Rights protects my inherent dignity
- No one may be enslaved or held in servitude (Article 4 UDHR)

### **4. LACK OF CONSENT:**

- I have never consented to be governed by a foreign corporation
- I have never waived my constitutional rights
- I have never agreed to capitis deminutio maxima (complete loss of legal status)"\*\*

## **STEP 5: INVOKE TRIBUNE STATUS**

**"Your Honor, I invoke the ancient principle of Tribune of the Plebs, recognized in our constitutional framework through Section 39(1)(c), which allows consideration of foreign law including Roman law precedents.**

**As a Tribune representing the living people against corporate tyranny:**

- **I am sacrosanct** and protected from harm
- **I have authority** to intercede on behalf of natural persons
- **I can veto** actions that violate natural law
- **I demand protection** from corporate predation

**Any violation of my tribune status carries the ultimate penalty under natural law."**

## **STEP 6: TRANSFORM COURT TO TRIBUNAL**

**"Your Honor, from the moment of my Special Divine Appearance, I invoke the transformation of these proceedings from a corporate court operating under commercial law to a Constitutional Tribunal operating under:**

- **Natural Law** - Divine principles and inherent rights
- **Constitutional Law** - South African Bill of Rights
- **International Law** - Universal human rights principles
- **Common Law** - Traditional English common law principles

**I reject and deny:**

- **Legalese** - Artificial legal language designed to confuse
- **Presumptions** - Assumptions not based in fact
- **Corporate jurisdiction** - Authority of fictional entities over living beings
- **Commercial law** - Rules governing corporate transactions"\*\*\*

## **STEP 7: DEMAND PROOF OF AUTHORITY**

**"Your Honor, I respectfully demand that you provide proof of your authority to proceed:**

**1. PERSONAL AUTHORITY:**

- Do you receive public funds from the foreign corporation?
- Have you taken an oath to uphold the Constitution or to serve corporate interests?
- Do you consent to being sold into slavery under corporate law?

**2. COURT AUTHORITY:**

- Under what authority does this court claim jurisdiction over living beings?
- Is this court operating under the Magistrate's Court Act or as an agent of a foreign corporation?
- Can you provide evidence that I have consented to this jurisdiction?

**3. PLAINTIFF AUTHORITY:**

- Does the plaintiff have standing as a living being or as a corporate fiction?
- If representing the South African Reserve Bank, can they prove lawful authority over living people?
- Can they demonstrate that their claim is not based on slavery or trafficking in human beings?"\*\*

**STEP 8: CONDITIONAL APPEARANCE**

**"Your Honor, my appearance here today is conditional upon:**

- 1. RECOGNITION** of my status as a living man/woman with inherent rights
- 2. ACKNOWLEDGMENT** that this tribunal operates under constitutional and natural law
- 3. PROOF** that all parties have lawful authority to proceed
- 4. GUARANTEE** that no presumptions will be made against my person
- 5. ASSURANCE** that my rights will be fully protected throughout these proceedings

If these conditions cannot be met, I reserve the right to withdraw my appearance and seek remedy in a proper constitutional forum."
